Re: Anacortes Wastewater Treatment Plant (NPDES Permit No. WA0020257)
WWTP Outfall Relocation – Upland Phase
Approval of Plans and Specifications

Dear Fred Buckenmeyer:

The City of Anacortes (City) submitted the following Plans and Specifications documents to the Department of Ecology in electronic format for review and approval:

- City of Anacortes WWTP Outfall Relocation – Upland Phase, Plans, dated February 2022 (prepared by HDR, Inc.)
- City of Anacortes WWTP Outfall Relocation – Upland Phase, Construction Documents Project Manual, dated February 2022 (prepared by HDR, Inc.)

Ecology also received the Addenda No.1 through No.3 to the above documents. In accordance with the Revised Code of Washington (RCW) 90.48.110 and Chapter 173-240 Washington Administrative Code (WAC), Ecology APPROVES the above-referenced documents. An approved copy of the documents will be kept on file at Ecology. A copy of the approved title pages are enclosed for your records.

Nothing in this approval shall be construed as satisfying other applicable federal, state or local statutes, ordinances or regulations. This review and approval is limited to assuring compliance with the State water quality laws and regulations listed above. This review and approval does not cover the structural or electrical design elements of this project, nor does the State of Washington assume any liability for the proper engineering of this facility. This approval shall not relieve the City of Anacortes from any responsibilities or liabilities as a result of non-

compliance with the discharge permit during construction or in operation of facilities approved herein.

If you have any questions concerning this approval, please contact Kevin Leung at kevin.leung@ecy.wa.gov or (206) 594-0168.

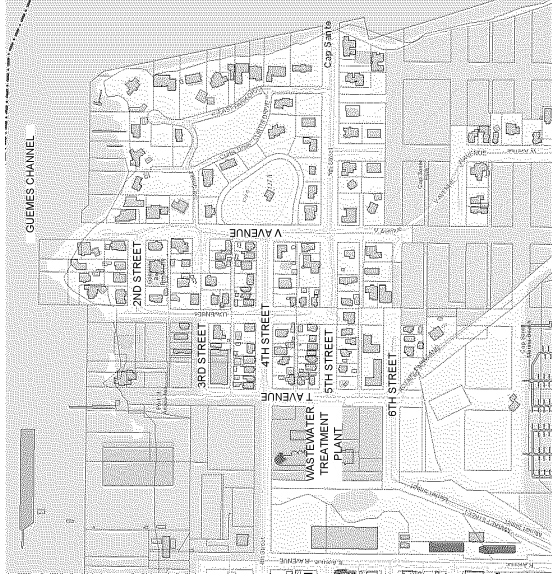

Sincerely,

A handwritten signature in black ink that reads "Rachel McCrea". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Rachel McCrea
Water Quality Section Manager
