**RE: Coverage under the Boatyard General Permit**

Dear Scott Anderson:

The Washington State Department of Ecology (Ecology) received your Notice of Intent application for coverage under Ecology's Boatyard General Permit (BYGP). This is your permit coverage letter for Permit Number WAG030009. Enclosed is your permit coverage page. Your permit coverage is effective September 1, 2022.

**Coverage Page**

Retain this letter and the enclosed coverage page as an official record of permit coverage for your facility. For easy access from your facility, you may keep your records in electronic format. You can find a copy of the Final 2022 BYGP, permit forms, and other information at [ecology.wa.gov/Boatyard-permit](http://ecology.wa.gov/Boatyard-permit). Please review the information on your coverage page and contact Ecology if you have any questions.

**Electronic Discharge Monitoring Reports (WQWebDMR)**

This permit still requires you to submit discharge monitoring reports (DMRs) electronically using Ecology's secure online system, WQWebDMR. Find step by step instructions on how to register for WQWebDMR and the WQWebDMR User Guide at [www.ecology.wa.gov/programs/wq/permits/paris/webdmr.html](http://www.ecology.wa.gov/programs/wq/permits/paris/webdmr.html). If you have questions, contact the WQWeb portal staff at (360) 407-7097 (Olympia area), or (800) 633-6193/option 3, or email [WQWebPortal@ecy.wa.gov](mailto:WQWebPortal@ecy.wa.gov).

## **Permit Fees**

State law (RCW 90.48.465) requires that all Permittees pay an annual permit fee based upon the state fiscal year. The state fiscal year begins each year on July 1, and ends on June 30 the following year. Ecology mails permit fee bills to all Permittees annually. Permittees that have permit coverage on or after July 1 will receive a permit fee bill for coverage with the state fiscal year. If you would like more information on the permit fee process, contact Ecology's Permit Fee Administrator at (360) 407-6425.

## **Appeal Process**

You have a right to appeal coverage under the general permit to the Pollution Control Hearing Board (PCHB). Appeals must be filed within 30 days of the date of receipt of this letter. Any appeal is limited to the general permit's applicability or non-applicability to a specific discharger. The appeal process is governed by chapter 43.21B RCW and chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2). For more information regarding your right to appeal, please view <https://apps.ecology.wa.gov/publications/summarypages/1710007.html>.
