Re: New State Waste Discharge (SWD) Permit Application  
Permit No. ST0501341, Ellenos Federal Way

Dear Brian Bright:

Thank you for submitting an application for a new SWD discharge permit. The Department of Ecology (Ecology) acknowledges receiving the application on July 15, 2022, and an initial review shows that your application is complete. Maia Hoffman has been assigned to review and approve your application.

Before Ecology can begin the final review and approval of the application, we need to collect a permit application fee. Attached is the application fee invoice. If you have questions about these fees, please visit our permit fee website at: [Water Quality Permit Fees](https://www.ecy.wa.gov/Program/Permits/Pages/Water-Quality-Permit-Fees.aspx). If you have fee related questions, please contact our Fee Unit at [wqfeeunit@ecy.wa.gov](mailto:wqfeeunit@ecy.wa.gov) or by phone at 800-633-6193.

If you have any questions about our review of the application or the permitting process, please contact Maia Hoffman at [maia.hoffman@ecy.wa.gov](mailto:maia.hoffman@ecy.wa.gov) or by phone at 425-507-5681.

Sincerely,

Tricia Miller  
Permit Coordinator  
Northwest Regional Office

You have a right to appeal this action. The appeal process is governed by Chapter 173-224-100 WAC. To appeal, you must do the following:

- Submit your appeal to the Water Quality Fee Unit no later than the fiscal year's first billing due date.
- State the reason(s) you believe the Department's determination is contrary to the requirements of Chapter 90.48.465 RCW and the specific actions you request that are consistent with those requirements.
