Re: State Waste Discharge Permit Renewal Application
Permit No. ST0007285; Hannegan Properties LLC

Dear Jacob Adie:

Your application for a State Waste Discharge (SWD) permit renewal was received by this office on August 31, 2022 and accepted as complete on September 6, 2022.

Your current SWD permit has an expiration date of October 31, 2022. Renewal of the permit is in process; however, the permit may not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-216-070, if your renewal permit is not issued and effective by the current permit's expiration date, the current permit and its terms and conditions and any changes requested in the permit application, will remain in effect and enforceable until Ecology issues a new permit for your facility.

If you have any questions regarding the development of your renewal permit, please contact Chris Martin at cmar461@ecy.wa.gov or by phone at 425-577-3854.

Sincerely,

Tricia Miller
Permit Coordinator
