RE: Transfer of Permit Coverage for Permit No. WAG507005

Dear Brandon Jenks:

Thank you for your Sand and Gravel General Permit Change Request Form to transfer permit coverage with a name change. This transfer is due to the sale of Ferguson Concrete & Excavation facility located at 4597 Road 13.5, Royal City, WA 99356. This letter confirms the name change to Royal Premix Concrete LLC and transfer of coverage of Permit No. WAG507005 from Mark Ferguson to Brandon Jenks. Brandon Jenks has agreed to assume all responsibility, coverage, and liability of Permit No. WAG507005 as of November 10, 2022.

This transfer shall not be valid if there is or will be any significant change from the existing permit in facility operations, discharge volume, or discharge characteristics, as determined by the Department of Ecology. If such changes are or will be present, Brandon Jenks shall immediately notify the Department of Ecology at the following address:

Washington State Department of Ecology
Eastern Regional Office
4601 N. Monroe St.
Spokane, WA 99205

All correspondence concerning this permit, except that relating to fees, should be sent to the above address. Be sure to include the permit number in all correspondence.

Coverage Page

Retain this letter and the enclosed coverage page as an official record of permit coverage for your site. For easy access from your site, you may keep your records in electronic format. You can get the S&GGP, permit forms, and other information at www.ecology.wa.gov/sandandgravel. Please review all of the information on your coverage page and in the permit, and contact Ecology if you have any questions. Note that the monitoring points associated with your permit are listed on your coverage page for each North American Industry Classification System (NAICS) code associated with them. If you have one monitoring point with two NAICS codes, that monitoring point will be listed twice on your coverage page.

Electronic Discharge Monitoring Reports (WQWebDMR)

This permit still requires you to submit discharge monitoring reports (DMRs). Required DMRs are still submitted electronically using Ecology's secure online system, WQWebDMR, as they were in the last permit. Find step by step instructions on how to register for WQWebDMR and see a User Guide at www.ecology.wa.gov/programs/wq/permits/paris/webdmr.html. For questions, contact portal staff at (360) 407-7097 (Olympia area), or (800) 633-6193/option 3, or email WQWebPortal@ecy.wa.gov.

Ecology Field Inspector Assistance

If you have questions regarding permit requirements, cover page modifications, or site-specific conditions, please contact your Permit Manager, Jefferson Davis at jefferson.davis@ecy.wa.gov, or (509) 329-3565.

Permit Administration Assistance

If you have questions regarding permit forms, permit transfers, or updating permit contact information, please contact your Permit Manager.

Questions or Additional Information

Ecology is here to help. Please review our web page at www.ecology.wa.gov/sandandgravel. If you have questions about the Sand and Gravel General Permit, please contact the Sand and Gravel General Permit writer, Adrien Carroll-Perkins at adrien.carroll-perkins@ecy.wa.gov, or (360) 407-7386.

Sincerely,

Sara Hunt for
