RE: Permit No. ST 6070, Condition S4.A.

This letter confirms that nLIGHT Photonics conducted our annual review of the Camas O&M manual and working instructions for wastewater treatment in accordance with section S4.A on December 14, 2022 per the requirements of WAC 173-240- 150. The following documents were reviewed:

- EHS-PP-0049 AWN O&M Manual Camas
- EHS-PP-0052 Camas Slug Discharge Plan
- Camas Industrial Wastewater Permit ST6270

All documents are current and do not need revision.
