# Instructions for Notice of Termination Form

**The permit fees will continue until Ecology terminates the permit coverage. Continue complying with permit conditions until notified that coverage has been terminated.**

- I. Operator/ Permittee** Give the name, address, and telephone number of the permittee on record. Ecology sends the final fee invoice to the permittee.
- II. Site Location/Address** Enter the street address or location description, including the city or nearest city and county for the construction site. Construction sites that do not have a street address must also provide a legal description in the space provided, or as an attachment.
- III. Construction Activity** Indicate:
- The construction project has not started and there are no other sources of construction stormwater.
  - That all stormwater discharges associated with construction activity are eliminated and final stabilization of all exposed soils is completed. ***Final stabilization means*** established permanent vegetative cover, or equivalent permanent stabilization measures which prevent erosion. You are certifying that:
    - Soils are no longer being disturbed.
    - All permanent vegetative cover is fully established and growing.
    - All exposed soils are permanently stabilized to prevent erosion.
    - All temporary sediment and erosion control BMPs such as catch basin filters and silt fencing, etc. are removed.
    - All Low Impact Development (LID) Bioretention and Rain Garden facilities are fully functional and free of sediment accumulated during construction.
    - All stormwater discharges associated with construction activity are eliminated.
  - That the permit has been transferred to another responsible party(ies) for management. (***Provide the information required on the Transfer of Coverage form.***)
  - That all portions of the site that have not undergone final stabilization have been sold.

Use this option for residential construction where the permittee has completed temporary stabilization and the homeowners have taken possession of the residences.
- IV. Certification of Signature** Read this statement carefully. The permittee, or vice president level or above in the permittee's company, must print their name for clarity, then sign and date the document on the lines provided.

**Please sign and return this original document to the following address and retain a copy for your records:**
