RE: Dryden WWTF Improvements Plans and Specs (Tracking No. 21-12-3) Permit #ST0005562

Dear Ron Slabaugh,

In May 2022, the Department of Ecology (Ecology) received wastewater treatment plans and specifications from the Chelan County Public Utility District for improvements to Dryden's Wastewater Treatment Facility.

In accordance with RCW 90.48.110 and Chapter 173-240 WAC, and on behalf of Ecology, the subject documents are hereby **APPROVED**.

Please notify this office of proposed changes or revisions to the approved documents. Significant changes or revisions require approval in writing by Ecology.

Ecology's review and approval of this document assures compliance and consistency with the appropriate rules and does not constitute a quality control check. Nothing in this approval shall be construed as satisfying other applicable federal, state or local statutes, ordinances or regulations.

For additional information, please contact David Matthews at (509) 654-2759 or davm461@ecy.wa.gov.

Sincerely,

A handwritten signature in black ink that reads "Damon G. Roberts".
