Dear David Tan:

The Washington State Department of Ecology (Ecology) received your request for a name change for your Construction Stormwater General Permit (CSWGP). This letter notifies you that our records have been updated to show Permittee David Tan representing Mt. Baker Housing Association as responsible for permit coverage and liability.

Retain this letter as an official record of permit coverage for your site. You may keep your records in electronic format if you can easily access them from your construction site. You can get the CSWGP, permit forms, and other information at Ecology's [CSWGP eCoverage Packet webpage](http://www.ecology.wa.gov/eCoverage-Packet)<sup>1</sup>. Please read the permit and contact Ecology if you have any questions.
