Re: Application for Renewal of State Waste Discharge Permit No. ST 6248, Cowlitz County Headquarters Landfill

Dear Mike Moss:

We hereby acknowledge receipt of the above-referenced application on January 31, 2023. This application is hereby accepted. Your current State Waste Discharge Permit has an expiration date of July 31, 2024.

The current permit and its terms and conditions will be administratively extended on August 1, 2024, and will remain in effect and enforceable until the Department of Ecology (Ecology) issues a new permit for your facility, in accordance with Washington Administrative Code (WAC) [173-220-180\(5\)](#).

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Cowlitz County Headquarters Landfill must provide any additional information Ecology may request in a timely manner.
