Permit Submittal Electronic Certification

Permittee: USN UNDERSEA WARFARE CENTER

Permit Number: ST0007353

Site Address: 610 DOWELL ST BLDG 40
KEYPORT, WA 98345

Submittal Name: Update or Certification Slug Discharge Control Plan

Version: 1

Due Date:

Comments: Section S10 of the permit requires the permittee to submit an update of the slug discharge control plan, or a certification that it is current, by May 1, 2023. The Slug Discharge Control Plan was updated in 2023. The Toxic Organic Management Plan is incorporated into the Slug Discharge Control Plan and was also updated in 2023. The updated document is attached.

I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
