Re: State Waste Discharge Permit Renewal Application  
Permit No. ST0007353; USN Undersea Warfare Center

Dear Kenneth Eiford:

Your application for a State Waste Discharge (SWD) permit renewal was received by this office on April 24, 2023. The application was accepted as complete on May 22, 2023.

Your current SWD permit has an expiration date of June 30, 2023. Renewal of the permit is in process; however, the permit may not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act (RCW 34.05.422(3)) and Washington Administrative Code 173-216-070, if your renewal permit is not issued and effective by the current permit's expiration date, the current permit and its terms and conditions and any changes requested in the permit application, will remain in effect and enforceable until Ecology issues a new permit for your facility.

If you have any questions regarding the development of your renewal permit, please contact Maia Hoffman at (425) 507-5681 or by email at [maia.hoffman@ecy.wa.gov](mailto:maia.hoffman@ecy.wa.gov).

Sincerely,

Tricia Miller  
Permit Coordinator  
Northwest Region Office
