RE: Application for Renewal of State Waste Discharge Permit No. ST0009110 for Smucker Fruit Processing Co.

Dear Andrea Manibog:

Thank you for the timely submittal of the state waste discharge permit renewal application for Smucker Fruit Processing Co. The application was reviewed and accepted as complete on 05/31/2023.

As the draft permit is developed, Ecology staff may contact you with questions or request a visit to your facility. In order to maintain complete application status, Smucker Fruit Processing Co., must provide any additional information Ecology may request in a timely manner. The permit writer currently assigned to write your permit is Stephanie Giesin.

In accordance with Chapter 90.48 of the Revised Code of Washington (RCW), your existing permit and the terms and conditions thereof remain in effect until further notice. You are also required to comply with all water pollution laws and regulations.

If you have any questions regarding this letter, please contact me at 509-457-7105.

Sincerely,

A handwritten signature in blue ink that reads "Monica Martinez".

Monica Martinez
Permit Coordinator
Water Quality Program
