Dear Kert Brown:

We hereby acknowledge receipt of the above-referenced application on September 28, 2023. This application is hereby accepted. Your current State Waste Discharge Permit has an expiration date of December 31, 2024.

The current permit and its terms and conditions will be administratively extended on January 1, 2025, and will remain in effect and enforceable until the Department of Ecology (Ecology) issues a new permit for your facility, in accordance with Washing Administrative Code (WAC) 173-220-180(5).

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Simpson Door Co. must provide any additional information Ecology may request in a timely manner.
