**RE: Modification of Coverage under the Industrial Stormwater General Permit**

Dear Belinda McDowell:

The Washington State Department of Ecology (Ecology) has reviewed your application for modification of coverage under the Industrial Stormwater General Permit (permit). This letter is to notify you that we have updated our records to show Belinda McDowell as Permittee and Rose Salazar as Site Contact for this coverage. We are granting the modification under the permit effective as of December 5, 2022. **Please retain this letter with your permit. This is part of the official record for modification of permit coverage for your facility.**

A mobile friendly copy of the permit, permit forms, and information related to your permit can be viewed and downloaded from Ecology's [Industrial Stormwater General Permit eCoverage Packet webpage](https://ecology.wa.gov/Regulations-Permits/Permits-certifications/Stormwater-general-permits/Industrial-stormwater-permit/eCoverage-packet)<sup>1</sup>. As a reminder, please take time to read the permit and contact Ecology if you have any questions.
