Dear Michal Draper:

We hereby acknowledge receipt of the above-referenced application on December 21, 2023. This application is hereby accepted. Your current NPDES permit has an expiration date of October 31, 2024.

The current permit and its terms and conditions will be administratively extended on November 1, 2024, and will remain in effect and enforceable until the Department of Ecology (Ecology) issues a new permit for your facility, in accordance with Washington Administrative Code (WAC) [173-220-180\(5\)](#).

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Cowlitz Indian Tribal Housing Wastewater Treatment Plant must provide any additional information Ecology may request in a timely manner.
