F. State Environmental Policy Act (SEPA)

This Notice of Intent (NOI) is incomplete and cannot be approved until the applicable SEPA requirements under Chapter 197-11 WAC are met.

Date Facility began operation or will begin operation:

SEPA and Public Notice sections apply only to facilities that began operations after July 1st, 2019. If the facility began operations before this date, these sections do not need to be filled out.

G. Public Notice

Public Notice applies to facilities that began operations on or after July 1st, 2019.

You must publish a public notice at least **once** a week for **two** consecutive weeks with **seven days** between publications, in at least a **single** newspaper of general circulation in the county in which the facility is located. Ecology cannot grant permit coverage sooner than the end of the 30-day public comment period, which begins on the date of the **second** public notice.
