Re: New National Pollutant Discharge Elimination System (NPDES) Application, Permit No.  
WA0991051

Dear Todd Pelman:

Thank you for submitting an application for a new NPDES Permit. The Department of Ecology (Ecology) acknowledges receiving the application on February 22 and 23, 2024, and an initial review shows that your application is substantially complete. Aziz Mahar has been assigned to review and approve your application.

Before Ecology can begin the final review and approval of the application, we need to collect a permit application fee. Enclosed is an application fee invoice. If you have questions about fees, please visit our permit fee website at: <https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees>. If you have fee-related questions, please contact our Fee Unit at [wqfeeunit@ecy.wa.gov](mailto:wqfeeunit@ecy.wa.gov) or by phone at (800) 633-6193.

Once Ecology receives the application fee, we will complete the application review.

If you have any questions about our review of the application or the permitting process, please contact Aziz Mahar at [amah461@ecy.wa.gov](mailto:amah461@ecy.wa.gov) or by phone at (564) 233-9562.

Sincerely,

Gayle Garbush
