Re: Public Notice of – Receipt of Application and Announcement of the Necessary and Overriding Public Interest Determination for a National Pollutant Discharge Elimination System (NPDES) Permit Number WA0991051, Project Macoma

Dear Todd Pelman:

The Department of Ecology (Ecology) has received your application for a NPDES permit. In accordance with Ecology policy, we are publishing notice of our receipt of the permit application.

Enclosed is a copy of the public notice which will appear in the [Peninsula Daily News](#) within the next few days, depending on the publishing frequency of the newspaper.

If you have any questions regarding this letter or the public notice process, please contact me at swrowqpermits@ecy.wa.gov or by phone at (360) 706-4191.

Sincerely,

A handwritten signature in black ink that reads "Gayle Garbush".
