Instructions for Completing the Industrial Stormwater Gross Revenue Information Form

Introduction

This Form allows Ecology to accurately determine the permit holder's annual industrial stormwater general permit fee amount. Complete all portions of the application.

Section 1. General Information

Permittee Name: Legal name of the business, company, municipality, or publicly- owned entity to which permit coverage was issued.

Permit Number: The Ecology stormwater permit number assigned. The permit number for industrial stormwater general permits begins with **WAR**. The number can be found on the permit coverage letter and in the top lefthand corner of the invoices.

Section 2. Permittee Information

Person who is responsible for receiving invoices and all billing information.

Section 3. Permittee Type

Please check the appropriate box as it pertains to your permitted operation.

Section 4. Gross Revenue Information

Report only gross revenue income from the **Washington** state business activities covered under the permit. Example: if a site under coverage is part of a business chain, only report the gross revenue for the site under permit. Also, if other activities on site generate income but are not related to the permitted activity (for instance - a machine shop that also provides consulting / engineering services), only consider the gross revenue from the permitted activity.

Section 5. Certification of Information

State and federal law requires the application be signed by:

- In the case of a municipal or public facility, by either a ranking elected official or executive officer (usually the permittee).
- In the case of a corporation, by a responsible corporate officer.
- In the case of a limited partnership, by an authorized partner.
- In the case of a general partnership, by an authorized general partner.
- In the case of a sole proprietorship, by the proprietor.

To request an ADA accommodation, contact Ecology by phone at 1-800-633-6193, option 2, or email at wqfeeunit@ecy.wa.gov, or visit <https://ecology.wa.gov/accessibility>. For Relay Service or TTY call 711 or 877-833-6341.
