

STATE OF WASHINGTON
DEPARTMENT OF ECOLOGY

Eastern Region Office

4601 North Monroe St., Spokane, WA 99205-1295 • 509-329-3400

June 4, 2024

The Honorable Dustin Swartz
City of Moses Lake
PO Box 1579
Moses Lake, WA 98837-0244

RE: Approval of General Sewer Plan for City of Moses Lake, Permit Nos. ST008024 and ST008012

Dear Mayor Swartz:

The Department of Ecology (Ecology) APPROVES the General Sewer Plan dated May 2024 and received May 21, 2024. This approval is in accordance with RCW 90.48.110 and Chapter 173-240 WAC.

If Moses Lake has not incorporated the collection system operations and maintenance into the Operations and Maintenance Manual for each facility, please either incorporate or provide a separate Collection System Operations and Maintenance Manual to Ecology for review and approval.

The City of Moses Lake (Moses Lake) must notify this office immediately of any proposed changes or revisions to the approved documents. Moses Lake must provide changes or revisions in the form of addenda, technical appendices, or supplemental reports to the original approved package of documents to Ecology for review and approval. Additionally, Moses Lake must maintain copies of the approved engineering report, plans and specifications, operations and maintenance manual, permit, and Discharge Monitoring Reports (DMRs) on-site at your facility in Moses Lake, Washington.

Ecology's review and approval of this document only assures compliance and consistency with the appropriate rules, regulations, guidelines, planning and design criteria, terms of any loan agreement, and/or other similar documents and is not a quality control check. Moses Lake should not consider this approval as satisfying other applicable federal, state or local statutes, ordinances or regulations.

Please contact Diana Washington at dwas461@ecy.wa.gov or (509) 385-5529 if you have questions or need additional information.

Sincerely,

Adriane P. Borgias
Water Quality Section Manager
Eastern Regional Office
