SEE INSTRUCTIONS ON PAGE 2 FOR SUBMITTING COMPLETED FORM TO THE FEE UNIT

Instructions for Notice of Termination (NOT) Form

ANNUAL PERMIT FEES continue until Ecology terminates the permit coverage.

Fees can not be prorated in the final fiscal year of the permit, per the Fee Rule.

Continue complying with permit conditions until notified that coverage has been terminated.

I. Operator/ Permittee	Provide the name, address, and telephone number of the permittee on record.
II. Site Location/ Address	Enter the street address or location description, including the city or nearest city and county for the construction site. Construction sites that do not have a street address must provide a legal description in the space provided, or as an attachment.
III. Construction Activity	<p>Indicate that:</p> <ul style="list-style-type: none"> ➤ The construction project has not started and there are no other sources of construction stormwater. ➤ All stormwater discharges associated with construction activity have been eliminated and final stabilization of all exposed soils is completed. <i>Final stabilization means</i> established permanent vegetative cover, or equivalent permanent stabilization measures which prevent erosion. You are certifying that: <ul style="list-style-type: none"> • Soils are no longer being disturbed. • All permanent vegetative cover is fully established and growing. • All exposed soils are permanently stabilized to prevent erosion. • All temporary sediment and erosion control BMPs such as catch basin filters and silt fencing, etc. are removed. • All Low Impact Development (LID) Bioretention and Rain Garden facilities are fully functional and free of sediment accumulated during construction. • All stormwater discharges associated with construction activity are eliminated. ➤ The permit has been transferred to another responsible party(ies) for management. <i>(Provide required information on the Transfer of Coverage form.)</i> ➤ All portions of the site that have not undergone final stabilization have been sold. <p style="margin-left: 40px;">Use this option for residential construction where the permittee has completed temporary stabilization and the homeowners have taken possession of the residences.</p>
IV. Certification of Signature	The permittee, or senior executive in the permittee's company: print name, sign and date form on the lines provided.

Please sign and email this document to wqfeeunit@ecy.wa.gov or mail:

Department of Ecology
 Water Quality - Permit Fee Unit
 PO Box 47600
 Olympia, WA 98504-7696

Note: Your site remains under permit and subject to all permit conditions until your termination request is approved. Continue to comply with permit conditions ***until the earlier of the following two dates:***

- 1) The date you receive written notification from Ecology that termination is effective.
- 2) 31 days or more have passed since Ecology **received** a completed NOT form.
- 3) Keep a signed copy of your NOT for your records.

Questions? Contact the Fee Unit at 1 (800) 633-6198, Option 2, or wqfeeunit@ecy.wa.gov
