### What type of modification are you requesting?

☐ Level 2 / Level 3 Deadline Extension, please list the new deadline requested (MM/DD/YYYY): \_\_\_\_\_

- Attach detailed technical basis for extension. Include proposed timeline for completion and describe issues that affect completion date; for example, state/local permits, study, design, financing, professional services and contracting, etc.

☐ Level 2 / Level 3 Waiver. Attach technical basis for request.

- If request is based on claim that it is "not feasible" to perform corrective actions, provide detailed information to support request (e.g., lease, contract, affidavit, maps, photos, and/or other documentation).
- If request is based on claim that corrective action is "not necessary" to prevent violations of water quality standards, Ecology recommends including an engineering report and sampling information to support claim.

☒ Other (please explain): The permitted area is being increased from 18.7 acres to 20.85 acres to more accurately reflect existing conditions by accounting for an area with existing non-industrial activities that contribute stormwater to the onsite drainage system. There are no new industrial operations or an increase in volume or change in the character of effluent in this area.

### III. Public Notice
