RE: Modification of Coverage under the Industrial Stormwater General Permit

Dear Tom Sroufe:

The Washington State Department of Ecology (Ecology) has reviewed your application for modification of coverage under the Industrial Stormwater General Permit (permit). This letter is to notify you that we have updated our records to show updated site contact information and total acreage. We are granting the modification under the permit effective as of June 28, 2024. **Please retain this letter with your permit. This is part of the official record for modification of permit coverage for your facility.**

A mobile friendly copy of the permit, permit forms, and information related to your permit can be viewed and downloaded from Ecology's [Industrial Stormwater General Permit eCoverage Packet webpage](https://ecology.wa.gov/Regulations-Permits/Permits-certifications/Stormwater-general-permits/Industrial-stormwater-permit/eCoverage-packet)¹. As a reminder, please take time to read the permit and contact Ecology if you have any questions.

For Additional Information or Assistance

Ecology is committed to providing assistance to you. Please review our [Industrial Stormwater General Permit webpage](https://ecology.wa.gov/Regulations-Permits/Permits-certifications/Stormwater-general-permits/Industrial-stormwater-permit)². For questions about transfers, terminations, and other administrative issues or questions regarding this letter, please contact your Permit Administrator, Stacey Britton at stacey.britton@ecy.wa.gov or (360) 764-3727. If you have questions regarding stormwater management issues at your site, please contact Cody Ennis of Ecology's Northwest Regional Office in Shoreline at cody.ennis@ecy.wa.gov or (425) 395-5694.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Killelea". The signature is fluid and cursive, with the first name "Jeff" and last name "Killelea" clearly distinguishable.

Jeff Killelea, Manager
Permit and Technical Services Section
Water Quality Program
