**RE: New State Waste Discharge Permit Application, Permit No. ST0501367 -
Snow & Sons Produce Co.**

Dear Steven Thomas:

Thank you for submitting an application for a new State Waste Discharge Permit. The Department of Ecology (Ecology) acknowledges receiving the application on August 30, 2023, and an initial review shows that your application is complete. Stephanie Giesin and Matthew Durkee have been assigned to review and approve your application.

Before Ecology can begin the final review and approval of the application, we need to collect a permit application fee. Enclosed is an application fee invoice. If you have questions about fees, please visit our permit fee website at: <https://ecology.wa.gov/Water-Shorelines/Water-quality/Water-quality-permits/Fees>. You can also reach our Fee unit by email wqfeeunit@ecy.wa.gov or call 1-800-633-6193 (Option 2).

To learn more about fee reduction options, please see: WAC 173-224-090: <https://app.leg.wa.gov/WAC/default.aspx?cite=173-224-090>. To apply for a reduction, please contact Ecology's Fees Unit, if you believe that you meet the criteria.

Once Ecology receives the application fee, we will complete the application review.
