Re: Noncompliance Notification for State Waste Discharge Permit No. ST0006270, nLight Inc  
Camas

Dear Sam Jones:

Your permit requires that you send us the following:

Permit Section	Submittal	Due Date
S4.A	O&M Manual Update - Review Letter	December 31, 2023

Failure to submit reports or submittals by their required due date are violations of your State Waste Discharge Permit. If you fail to comply with the conditions of your permit, the Department of Ecology (Ecology) may take formal administrative enforcement action, including issuing Administrative Orders, to correct the problem and/or Civil Penalties, in accordance with [chapter 173-216 Washington Administrative Code \(WAC\)](#).

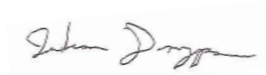

If this letter is incorrect or if you have questions or comments, please contact me at [jonathan.drygas@ecy.wa.gov](mailto:jonathan.drygas@ecy.wa.gov) or by phone at (360) 522-6883.

Compliance Assurance is the goal of the [Clean Water Act](#)'s self-monitoring program. This includes the on-time submission of all permit required reporting. Noncompliance with the limits, monitoring requirements, terms, and/or conditions established in your permit may result in formal enforcement action by Ecology.

If you have any questions about your permit or need technical assistance with your facility or for completing your monitoring reports, please contact Jacek Anuszewski at [jacek.anuszewski@ecy.wa.gov](mailto:jacek.anuszewski@ecy.wa.gov) or by phone at (360) 628-3657.
