ADDITIONAL INFORMATION - NOTICE OF TERMINATION FORM (NOT)

Submit a Notice of Termination Form to Ecology when one or more of the following conditions have been met:

1. All permitted stormwater discharges associated with industrial activity authorized by this permit have ceased because the industrial activity has ceased, and no significant materials or industrial pollutants remain exposed to stormwater.
2. The party that is responsible for permit coverage (signatory to application) sells or otherwise legally transfers responsibility for the industrial activity (the permit follows the person it was issued to, not the site).
3. All stormwater discharges associated with industrial activity are prevented because the stormwater is redirected to a sanitary sewer, or discharged to ground (e.g. infiltration).

The Construction Stormwater General Permit can be found online at: <https://ecology.wa.gov/Regulations-Permits/Permits-certifications/Stormwater-general-permits/Construction-stormwater-permit>.

If you have questions about conditions for termination, permit Transfers, or stormwater discharges including DMRs, the webpage address above also has a list of Ecology staff with contact information for each county.

All permit conditions must be met until your termination is approved. Continue to comply with permit conditions until you receive written notification from Ecology that termination is effective. If you do not receive a termination approval letter within 70 days, please contact the Fee Unit at wqfeeunit@ecy.wa.gov.

To submit your NOT, please hand sign and email or mail this document to wqfeeunit@ecy.wa.gov. Per EPA requirements, they will not accept a digital signature. The mailing address is:
