### **RE: King County Tier III Corrective Action Report for 63rd Ave SW PS Overflow**

Dear Sir/Madam:

In accordance with the reporting requirements in NPDES permit for the West Point Wastewater Treatment Plant (WWTP) (Permit No. WA0029181) Section S11.C.d, King County Wastewater Treatment Division submits a corrective action report for outfall 054 (63rd Ave SW Pump Station [PS] Combined Sewer Overflow).

King County Tier III Corrective Action Report for 63rd Ave SW PS Overflow

October 24, 2024

Page 2

This report also meets Supplemental Compliance Plan requirements per Section V of the CD and supersedes the Corrective Action Compliance Notification Letter submitted May 14, 2018, for the 63rd Ave SW PS Overflow, DSN 054.

Per Section VI, paragraph 40 of the King County Consent Decree, the County requests that EPA and Ecology review and provide comment or approve the attached corrective action report no later than 90 days from receipt, herein assumed as October 24, 2024. Failure to act within 90 days will result in a delay to all corrective action milestones proposed in the corrective action report.

Thank you for your review of the corrective action report. If you have any questions or would like additional information, please contact me at 206-263-5767 or kgurol@kingcounty.gov.

Certification

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision, in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
