Re: State Wastewater Discharge (SWD) Permit Renewal Application
Permit No. ST0501319; Terramar Brewstillery

Dear Chris Barker:

The Department of Ecology (Ecology) acknowledges receiving the permit renewal application on November 1, 2024. The application has been reviewed and was accepted as complete on December 5, 2024.

Your current SWD permit has an expiration date of December 31, 2024. Renewal is in process, but may not be issued by the expiration date. In accordance with the Washington State Administrative Procedures Act [RCW 34.05.422\(3\)](#) and Washington Administrative Code WAC [173-216-070](#), if your renewal permit is not issued and effective by the current permit's expiration date, the current permit and its terms and conditions and any changes requested in the permit application, will remain in effect and enforceable until Ecology issues a new permit for your facility.

If you have any questions regarding the development of your renewal permit, please contact Joey Jiang at 206-507-8283 or by email at joey.jiang@ecy.wa.gov.

Sincerely,

Tricia Miller
