

Notice of Termination Form

Construction Stormwater General Permit

Use this form to request termination of permit

RECEIVED

By Latesha Newman at 12:09 pm, Jan 31, 2025

I. Operator/Permittee		Permit #: WAR 311860	
Name: Ethan Adams		Company: VMRD Inc.	
Mailing Address: 425 NW Albion Drive			
City: Pullman		State: WA	Zip: 99163
Phone: (509) 334-5815		Email: ethan@vmrd.com	
II. Site Location/Address			
Site name: VMRD			
Street address (or location description): 425 NW Albion Drive			
City (or nearest city): Pullman		County: Whitman	Zip: 99163
III. Construction Activity: The site is eligible for termination. Select ONE of the following conditions:			
<input type="radio"/> Construction was never started.			
<input checked="" type="radio"/> Entire site has undergone final stabilization, all temporary BMPs are removed, all stormwater discharges associated with construction activity have been eliminated. (See Permit Condition S10.A.1.)			
<input type="radio"/> All portions of site that have not undergone final stabilization have been sold and/or transferred, and Permittee no longer has operational control of the construction activity. (Permit Condition S10.A.2.)			
Will a Transfer of Coverage be completed with the new Owner?			
If yes, please attach a copy of the transfer form (required)			
If no, provide new owner's contact information:			
<input type="radio"/> For residential construction only, the Permittee has completed temporary stabilization of the entire project and the homeowners have taken possession of the residences (Permit Condition S10.A.3.)			
IV. Certification of Signature Please read the certification statement carefully before signing.			
I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. The information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

Instructions for Notice of Termination (NOT) Form

ANNUAL PERMIT FEES continue until Ecology terminates permit coverage. Continue complying with permit conditions until notified that coverage has been terminated.

I. Operator/ Permittee	Provide the name, address, and telephone number of the permittee on record.
II. Site Location/ Address	Enter the street address or location description, including the city or nearest city and county for the construction site. Construction sites that do not have a street address must provide a legal description in the space provided, or as an attachment.
III. Construction Activity	<p><i>Conditions can also be found on page 32 of the permit itself.</i> Indicate that:</p> <ul style="list-style-type: none"> ➤ The construction project has not started and there are no other sources of construction stormwater. ➤ Final stabilization means established permanent vegetative cover, or equivalent permanent stabilization measures which prevent erosion. You are certifying that: <ul style="list-style-type: none"> • Soils are no longer being disturbed. • All permanent vegetative cover is fully established and growing. • All exposed soils are permanently stabilized to prevent erosion. • All temporary sediment and erosion control BMPs such as catch basin filters and silt fencing, etc. are removed. • All Low Impact Development (LID) Bioretention and Rain Garden facilities are fully functional and free of sediment accumulated during construction. • All stormwater discharges associated with construction activity are eliminated. ➤ The site has not undergone final stabilization and the permit has been transferred to another responsible party(ies) (Provide required information from the Transfer of Coverage form). ➤ All portions of the site that have not undergone final stabilization have been sold. Use this option for residential construction where the permittee has completed temporary stabilization and the homeowners have taken possession of the residences.
IV. Certification of Signature	The permittee, or senior executive in the permittee's company: print name, sign and date form on the lines provided.

Please hand sign and email or mail this document to wqfeeunit@ecy.wa.gov to begin the termination process. **The mailing address is:**

Department of Ecology
Water Quality - Permit Fee Unit
PO Box 47600
Olympia, WA 98504-7696

Note: Your site remains under permit and subject to all permit conditions until your termination request is approved. Continue to comply with permit conditions ***until the earlier of the following two dates:***

- 1) The date you receive written notification from Ecology that termination is effective.
- 2) 31 days or more have passed since Ecology **received** a completed NOT form.
- 3) Keep a signed copy of your NOT for your records.

Questions? Contact the Fee Unit at 1 (800) 633-6193, Option 2, or wqfeeunit@ecy.wa.gov

To request an ADA accommodation, contact Ecology at 800-633-6193, option 2, or by email at jackie.lince@ecy.wa.gov, or visit <https://ecology.wa.gov/accessibility>. For Relay Service or TTY call 711 or 877-833-6341
