Re: Application for Renewal of National Pollutant Discharge Elimination System (NPDES) Permit No. WA0003271, Ocean Spray Cranberries Inc

Dear Rich Guerriero:

We hereby acknowledge receipt of the above-referenced application on June 21, 2023. This application is hereby accepted. Your current NPDES permit had an expiration date of June 30, 2024.

The current permit and its terms and conditions have been administratively extended, and will remain in effect and enforceable until the Department of Ecology (Ecology) issues a new permit for your facility, in accordance with Washington Administrative Code (WAC) [173-220-180\(5\)](#).

During the permit renewal process, Ecology may determine that additional information is necessary to complete the permit. In order to maintain complete application status, Ocean Spray Cranberries Inc must provide any additional information Ecology may request in a timely manner.

If you have any questions regarding this letter, please contact me at [will.moseley@ecy.wa.gov](mailto:will.moseley@ecy.wa.gov) or by phone at (360) 763-2787.

Sincerely,

Will Moseley
