Hi Ben,

I looked at the PARIS affiliations and John King is still listed as the General Manager. I will work with our permit admin to update the information. Thanks for bringing it to my attention.

Hi Becky,

We have received the inspection report, thank you.

There does look to be one inaccuracy regarding the listed Responsible Pary/Official. Richard Carlson

is the current general manager, while John King was the previous general manager.

We listed Richard Carlson as the General Manager on the last permit application signed July 26, 2021, so if there is another form that should have been filled out to reflect the change at the time besides on the application, please let us know so we can ensure the contact information for the facility is correct.

Thank you,

Ben Mitchell
