County: Grays Harbor

**RE: Update- Coverage under the Industrial
 Stormwater General Permit**

Dear Ryan Porter:

This letter is to notify you that the Washington State Department of Ecology (Ecology) has updated our records to show updates to the permittee and site contact. **Please retain this letter with your permit. This is part of the official record of permit coverage for your facility.**

A mobile friendly copy of the permit, permit forms, and information related to your permit can be viewed and downloaded from Ecology's [Industrial Stormwater General Permit eCoverage Packet webpage](#)¹. As a reminder, please take time to read the permit and contact Ecology if you have any questions.

For Additional Information or Assistance

Ecology is committed to providing assistance to you. Please review our [Industrial Stormwater General Permit webpage](#)² for more information. For questions about transfers, terminations, and other administrative issues, or questions regarding this letter, please contact Max Graham at max.graham@ecy.wa.gov or (564) 200-2505.

Sincerely,

A handwritten signature in black ink, reading "Jeff Killelea".

Jeff Killelea, Manager
Permit and Technical Services Section
Water Quality Program
