NPDES Permit No. WA0991014
Priority Pollutant Sampling

Dear Ms. Brotherton:

The Weyerhaeuser NR Company – Longview site, encompassing the Export Yard, Lumbermill, and Truck Shop, is re-submitting the results of our priority pollutant testing required by Section S2.A.5 of NPDES Permit WA0991014 to the Secure Access Washington (SAW) web portal in accordance with Section S3A.3.c of NPDES Permit WA0991014. The resubmittal is being done as the original submittal did not meet the detection limit requirements laid out in our NPDES permit. The resubmittal will be certified by the Responsible Official at Weyerhaeuser Lumbermill.

If you have questions about this resubmittal please contact me or Carter Marr, Facility Environmental Manager, at 780-851-3378 or email carter.marr@weyerhaeuser.com.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. The information submitted is, to the best of my knowledge and belief, true, accurate, and complete and I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Respectfully,

Signed by:
