Permit Submittal Electronic Certification

Permittee: Pacific Seafood - Woodland, LLC

Permit Number: ST0006222

Site Address: 1635 DOWN RIVER DR
WOODLAND, WA 98674

Submittal Name: Slug Discharge Control Plan Update

Version: 2

Due Date: 5/31/2025

Comments: I reviewed the Slug Discharge Control Plan I would like to ask the permittee to add one section in the plan (according to the requirements of S8 B 5 of the permit) titled A description of discharge practices for batch and continuous processes under normal and non routine circumstances Please describe your discharge plan in case of non routine circumstances and submit it again for approval Thanks

I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
