

Seattle DOT Mercer Parcels Cleanup Site

Seattle DOT Dexter Parcel Cleanup Site

Seattle DOT Mercer Parcels and Dexter Parcel Cleanup Sites

Cleanup Documents ready for review and comment

The Department of Ecology is overseeing the cleanup of these two sites. Although they are separate sites, their sale from Seattle DOT to the prospective purchasers is happening at the same time, and they each require the same cleanup documents for public review. Therefore Ecology is hosting a public comment period for both sites together. We would like your comments on the documents.

Public Comment: December 6, 2021 – January 19, 2022

- Prospective Purchaser Content Decree (PPCD)
- Remedial Investigation Report(RI)
