Jorgensen Forge Corp cleanup site comment period extended

Public comment: March 14 – April 26, 2022

The Department of Ecology sent out a notice in March announcing a public comment period for this cleanup site. The comment period is currently underway through April 26, 2022. Please join us for an online public meeting on [April 21, 2022 at 6 pm](#) to discuss documents and cleanup plans for this site.

Cleanup documents available for public review

We would like your input on the following documents:

- Agreed Order
- Interim Action Work Plan
- Public Participation Plan

For details on these documents and more information, please see reverse side ->
