

# Let's make **salon products safer**

Washington's new law helps prevent exposure to toxic chemicals. It's called the **Toxic-Free Cosmetics Act (TFCA)**.

Cosmetic products you sell or use for service must comply with this law starting January 2025.

**Contact your distributor** to confirm the products you're buying don't have chemicals restricted by the law.

**Remember the sell through period.** Products you had in stock as of Jan. 1, 2025, can be sold through end of 2025.

**Check product ingredient lists** for restricted chemicals. Learn more at [ecology.wa.gov/cosmetology](https://ecology.wa.gov/cosmetology).
