

Biomethane or Biogas Attestation Letter

Instructions: Please download this Attestation form and complete all entries if you are either:

- 1) An officer or person authorized to bind the entity reporting biomethane in the Washington Fuels Reporting System and Credit Banking and Transfer System (WFRS-CBTS) under the provisions of WAC 173-424-420(2)(e), or
- 2) An officer or person authorized to bind the fuel pathway holder claiming use of biogas or biomethane as process energy under the provisions of WAC 173-424-400(1)(k)(ii).

Fuel reporting entities must upload the completed form into WFRS-CBTS with their annual compliance report.

Fuel pathway holders must scan and upload the completed form into the CFS Alternative Fuels Portal (AFP) annually with their fuel pathway report.

Attestation

I certify that to the extent that the gas used in the fuel pathway or supplied as transportation fuel is characterized as biomethane, _____ owns the exclusive rights to the

(Name of Registered Party)

corresponding environmental attributes.

_____ has not sold, transferred, or retired those environmental attributes in any

(Name of Registered Party)

program or jurisdiction other than the federal RFS.

Based on diligent inquiry and review of contracts and attestations from our business partners, I certify under penalty of perjury under the laws of the State of Washington that no other party has or will sell, transfer, or retire the environmental attributes corresponding to the biomethane for which _____

(Name of Registered Party)

claims credit in the CFS program.

Print Name: _____ Title: _____

Signature: _____ Date: _____
