

PUBLIC MEETING TO BE HELD – LANDSBURG MINE SITE

February 7, 2006 7:00-9:00pm

The Washington State Department of Ecology (Ecology) invites you to a public meeting on February 7, 2006 to discuss the proposed agreed order amendment that will address a contingent groundwater treatment system for the Landsburg Mine site. This site is located directly south of the S.E Summit-Landsburg Road and north of S.E Kent-Kangley Road in Ravensdale, Washington. Ecology also announces that the public comment period has been extended through February 15, 2006. A public comment period was recently held on the proposed agreed order amendment and State Environmental Policy Act (SEPA) documents. During the comment period, held between October 20 and November 18, 2005, community members requested a public meeting to discuss the proposed interim action. In response to these requests, the Washington State Department of Ecology will hold a public meeting on **February 7, 2006, 7:00-9:00pm**, at the **Tahoma Junior High School, 25600 Summit Landsburg Road, Ravensdale, WA 98051**.

Documents related to the comment period can be found at:
