

Proposed Grant and Loan Funding for Water Quality Improvement and Protection Projects

Fiscal Year 2010 State Revolving Fund Draft Intended Use Plan

Fiscal Year 2010 Water Quality Combined Draft Offer and Applicant List

The Washington Department of Ecology (Ecology) invites you to attend a public meeting to discuss the FY 2010 Water Quality Combined Draft Offer and Applicant List for the Centennial Clean Water Fund, the federal Clean Water Act Section 319 Nonpoint Source Fund, and the Washington State Water Pollution Control Revolving Fund for state fiscal year 2010 (FY 2010). Ecology will also discuss the FY 2010 Washington State Water Pollution Control Revolving Fund Draft Intended Use Plan.

Ecology is taking public comments from January 15 through 5 p.m. February 16, 2009, and welcomes your input on the draft lists. Please send all comments to Jeff Nejedly.

The public meeting will be held:

February 3, 2009 Beginning at 10 a.m.	Pierce County Library Processing and Administrative Center 3005 112th St. E., Tacoma, WA 98446
------------------------------------------	------------------------------------------------------------------------------------------------------

Ecology proposes to award approximately \$17.5 million in funds from the Centennial Clean Water Program; \$1.9 million from the Clean Water Act Section 319 Nonpoint Source Fund; and \$52 million from the Washington State Water Pollution Control Revolving Fund to fund approximately 33 nonpoint activity and water quality facility projects for the FY 2010 funding cycle. The proposed projects will help improve and protect water quality for human health, aquatic life, fish habitat, recreation, and other important uses. Discussions will
