Publication No. 11-10-024 Erratum 1

Erratum Bear-Evans Watershed Temperature, Dissolved Oxygen and Fecal Coliform Bacteria Total Maximum Daily Load Water Quality Implementation Plan

Figure 1

Figure 1 in the Bear-Evans Watershed Temperature, Dissolved Oxygen and Fecal Coliform Bacteria TMDL Water Quality Implementation Plan (page 4) requires a minor correction.

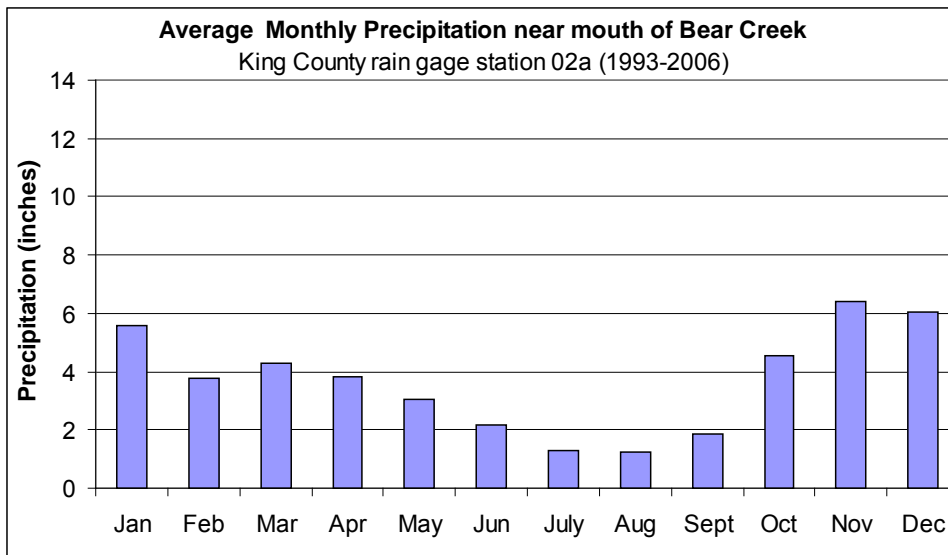

The heading directly above the chart refers to King County rain gage station **02a**. The caption below the chart refers to King County rain gage **02w**.

Rain gage **02w** is the correct gage for both of the references.

This Erratum identifies an error only in the cited figure. **This error was corrected in the online version of the document, www.ecy.wa.gov/biblio/11100024.html.**

The error does not affect the conclusions and recommendations of the TMDL water quality implementation plan.
