Table of Contents

Executive Summary	1
Chapter 1. Introduction	9
Chapter 2. Responding to Climate Change	15
Chapter 3. Observed Trends and Future Projections	33
Chapter 4. Human Health	45
Chapter 5. Ecosystems, Species, and Habitats	63
Chapter 6. Ocean and Coastlines	79
Chapter 7. Water Resources	99
Chapter 8. Agriculture	121
Chapter 9. Forests	137
Chapter 10. Infrastructure and the Built Environment	151
Chapter 11. Research and Monitoring	169
Chapter 12. Climate Communication, Public Awareness, and Engagement	175
Glossary and Acronyms	187
Bibliography	192
Photo Credits	200
Appendix A. Advisory Group Members	201
Appendix B. Advisory Group Final Reports and Recommendations	201
Appendix C. Priority Response Strategies and Actions	201
Appendix D. Summary of Projected Changes in Major Drivers of Pacific Northwest Climate Change Impacts	201

Figures and Tables

Figure 1. How climate change can harm human health	47
Figure 2. Effects of climate change across salmon life cycle	70
Figure 3. Contributors to ocean acidification	88
Figure 4. Projected average monthly streamflow	104
Figure 5. 2040 Projected climate change impact on summer flows	107
Figure 6. Maps of the ratio of the 100-year flood magnitude	109
Table 1. Projected sea level rise estimates for Washington	83
Table 2. Projected changes in hydropower generation and energy demand	158

Acknowledgments

We thank the many authors and contributors for their extensive input in the development of this response strategy.

Primary Authors

Hedia Adelsman, Washington Department of Ecology

Joanna Ekrem, Washington Department of Ecology

Contributing Authors

Lara Whitely Binder, Climate Impacts Group at the University of Washington

Kirk Cook, Washington State Department of Agriculture

Kelly Cooper, Washington State Department of Health

Lynn M. Helbrecht, Washington Department of Fish and Wildlife

Rachael Jamison, Washington State Department of Natural Resources

Joyce Phillips, Washington State Department of Commerce

Paul Pickett, Washington Department of Ecology

Carol Lee Roalkvam, Washington State Department of Transportation

Sandy Salisbury, Washington State Department of Transportation

Dan Siemann, National Wildlife Federation, Pacific Region

Pene Speaks, Washington State Department of Natural Resources

Advisory Groups

We want to give special thanks to members of four advisory groups for contributing their time and expertise to develop recommendations that form the basis of this strategy and for providing assistance in reviewing the strategy. See Appendix A for a list of Advisory Group members.

Editing and Production

Lynne Geller, Department of Ecology

Christy Shelton and **Julie Stein**, Cascadia Consulting Group

Photographs were provided by a number of individuals and departments. See **Photo Credits** on page 200 for more information.
