## **Boeing Fabrication Auburn Site Open House Meeting**

The Washington State Department of Ecology, The Boeing Company, and Washington State Department of Health invite you to an open house. At this open house, there will be information tables where you can learn more about the investigation of the Boeing Fabrication Auburn site.

This meeting is an opportunity for Algona residents to:

- ask questions one-on-one with agency staff
- hear about the recent results from the groundwater drilling investigation; and
- learn more about the next steps in Algona.

For more information regarding this site, visit:  
Boeing Fabrication Auburn website at:
