Comment period: Dec. 12, 2018 – Jan. 16, 2019

We invite you to comment on a draft State Waste Discharge water quality permit for the Tesoro Logistics facility in Anacortes.

Co-located with the Marathon/Andeavor/Tesoro oil refinery at 7969 North Texas Road, Tesoro Logistics offloads and stores crude oil from rail cars, loads and stores oil products, and operates a wharf.

It sends wastewater and stormwater to the refinery for treatment before discharge to the north end of Fidalgo Bay.

Permit requirements

The proposed permit includes requirements to:

- Monitor wastewater flow.
- Check weekly for oil and grease at the crude railcar off-loading facility.
- Update the facility's spills plan.
- Submit documents, such as monitoring reports, electronically.

Commenting

Effective comments tell us if we correctly applied current law, rules, and regulation to this draft permit. They:

- Are specific. Tell us what your concern is and how you think we should change the permit.
- Are focused. Refer to sections or parts of the permit and relate these potential impacts to water quality.
- Describe the state or federal rules and regulations you think have not been applied correctly.

Special accommodations

To request ADA accommodation including materials in a format for the visually impaired, call Ecology at 360-407-7393 or visit <https://ecology.wa.gov/accessibility>. People with impaired hearing may call Washington Relay Service at 711. People with speech disability may call TTY at 877-833-6341.

You may request a public hearing to ask questions and submit verbal comments. To request a hearing, contact:

Angie Fritz
Industrial Section
P.O. Box 47600, Olympia, WA 98504-7600
e-mail: angela.fritz@ecy.wa.gov

If we determine there is significant public interest during this comment period to hold a hearing, we will extend the comment period to allow at least 30 days notice of the hearing and publish the time, date and location. When the comment period ends, we will review all comments received and make appropriate changes to the permit before issuing it.

For more information on Ecology's work at this facility, visit <https://ecology.wa.gov/Regulations-Permits/Permits-certifications/Industrial-facilities-permits/Tesoro-CROF>.
