2025-2027 Public Participation Grants

Individuals and nonprofit organizations based in Washington are invited to apply for 2025-2027 competitive Public Participation Grants (PPG) of up to \$60,000 per year from Washington's Department of Ecology.

The purpose of these grants is to support individuals and nonprofit organizations to engage the public in what's happening with the investigation of releases or threatened releases of hazardous substances and any cleanup process.

These grants also support the state's Solid and Hazardous Waste Management priorities.

How to apply

Applicants must create a **Secure Access Washington Account** and receive an Ecology approved registration for an **Ecology Administration of Grants and Loans (EAGL)** account to apply.

Application packages must be submitted electronically through EAGL no later than 5:00 pm PST on February 4, 2025.
