**Washington Cap-and-Invest Program  
2024 Quarter 4 CITSS Holdings Report**

Issued on December 18, 2024

The Department of Ecology is required to summarize the number of compliance instruments (greenhouse gas allowances and offset credits) held in each Washington cap-and-invest entity's general holding account in the Compliance Instrument Tracking System Service (CITSS)<sup>1</sup>. This report also includes instruments held in an Electricity Allocation Holding Account (EAHA)<sup>2</sup>. The following list includes the holding report as of 4:00 PM PT on Wednesday, November 27, 2024.

The totals below do not include compliance instruments held in an entity's Limited Use Holding Account (LUHA) that are used for consignment, or instruments held in a compliance account to meet a compliance obligation. Account numbers listed in this report are randomly assigned and do not correspond to entity account numbers in CITSS.

Account Number	Sum of Account Balances
