### **EAGL Tips:**

\* Fields with a red asterisk are required to be filled out.

A red cross is a hover symbol, which indicates more information is available.

A hand on an orange stop sign indicates a Global Error. Once all your forms are filled out, it is recommended that you run the "Check Global Errors," you can locate the Check Global Errors button at the top right corner on each application form. Global errors must be addressed to submit your application.

EAGL text boxes do not accept formatted text. It is recommended that you type up your answers in Notepad or Word first. Save your work as Plain Text, then "cut and paste" it into the EAGL text box. The text boxes have a character limit shown at the bottom.

EAGL Navigation: EAGL does not have a log out feature, so if at any time, you want to leave the application and return later; you must click Save\_on the right side of the page header before exiting the application or moving to the next form.

System Requirements – To use EAGL, you must have access to the internet and one of the following web browsers: Google Chrome, Edge Chromium, Mozilla Firefox, and Safari.
