Auction Notice #12

Issued on October 3, 2025

Auction of greenhouse gas allowances on December 3, 2025

Auction Summary

This document is the official notification for the December 3, 2025, greenhouse gas allowance auction. This auction will offer allowances from the current year, as well as prior vintage years, in the current auction, and future vintage allowances from year 2028. This auction will be referred to as “Auction #12 December 2025” or “Auction #12” in the Compliance Instrument Tracking System Service (CITSS) and on the Auction Platform.

Additional information and instructions relating to participating in this auction are on the Climate Commitment Act [Auctions Trainings and Resources webpage](#). Links to the *Introduction to the Auction Platform* and *Bidding Instructions* documents, as well as recordings of training webinars, are on this webpage as a resource for auction participants.

The *Auction Examples* document provides information and examples of how to determine the amount of a bid guarantee, bid evaluation procedures, purchase limits, holding limits, and examples of auction bid fulfillment.

Date and Time of Auction

Auction #12 is scheduled to take place on Wednesday, December 3, 2025. The bidding window will be open from 10:00 AM Pacific Time until 1:00 PM Pacific Time.

Auction #12 will be conducted through Washington’s internet-based Auction Platform. The Auction Platform can be accessed at www.wci-auction.org.

Allowances Offered for Sale

The auction of allowances from the current year or prior years is known as the Current Auction. The auction of future vintage (2028) allowances is known as the Advance Auction. The number of allowances available for sale in each auction are provided in Table 1.

Table 1. Allowances Offered for Sale

Auction	Number of Allowances
Current Auction	7,424,390
Advance Auction	1,945,905

Table 2. Current Auction Allowances Offered for Sale by Vintage

Vintage Year	Number of Allowances
2025	7,060,399
2024	364,000
Total Current Auction Budget	7,424,390

Allowances from each vintage will be allocated to bidders by the ratio of each vintage to total supply offered multiplied by the total allowances awarded.

Annual Auction Floor Price

The Annual Auction Floor Price refers to the price for allowances below which bids at auction are not eligible to be accepted. The Annual Auction Floor Price is set on the first business day in December and applies to each auction in the following year.

Table 3. 2025 Annual Auction Floor Price

Auction	Annual Auction Floor Price
Current Auction (2025 vintage)	\$25.85
Advance Auction (2028 vintage)	\$25.85

Auction Eligibility

Entities eligible to participate in an auction under the Washington Climate Commitment Act Cap-and-Invest Program include Washington covered entities, opt-in entities, and general market participants with an approved account in CITSS, and an auction application submitted at least 30 days prior to the auction date.

An entity must be registered under the Washington Cap-and-Invest Program and have an active CITSS General Holding Account to be eligible for approval to participate in an auction. Ecology must have approved your CITSS User Registration and Entity Account Application before entities will be able to apply to participate in an auction. Instructions and guidance on how to obtain an active CITSS account are available on [Ecology's Auctions Trainings and Resources](#) webpage.

Submitting an Auction Application

A registered entity must apply in CITSS to participate in each auction. Auction applicants must submit information at least 30 days before the day of the auction. CITSS can be accessed at www.wci-citss.org.

Information submitted in the auction application process includes the following:

- Name, contact information, and holding account number of the registered entity

- Name and contact information for all designated account representatives and any consultant that provides advice related to the participant's bidding strategy, and the name of the consultant's employer
- Information on the form of bid guarantee to be submitted and bid guarantee return instructions

Once the above information is entered into CITSS, the platform will allow you to confirm and submit. Check the application status once submitted to ensure the request was processed.

Auction eligibility information also includes information submitted in the process of obtaining a CITSS account:

- Corporate identity, ownership, and capital structure of the applicant
- The existence of any direct or indirect corporate associations; and
- An allocation of the purchase limit and holding limit among the associated entities.

Auction eligibility is described in further detail in the *Detailed Auction Requirements and Instructions* document.

Submitting Bid Advisor Disclosure Form

Auction Applicants receiving bid advice services from a consultant or advisor should instruct their advisors to fill out and provide Ecology a complete Bid Advisor Form 15 calendar days before the day of an auction. WAC 173-446-315(3). If the auction applicant does not hire out these services, no action is needed.

Auction Schedule Table 4, on the following page, presents the current schedule for activities associated with this auction. (Auction Schedule). Any changes to the Auction Schedule will be communicated through an updated Auction Notice and by email to the Primary Account Representative (PAR) and Alternative Account Representatives (AARs) of Washington registered entities that have submitted an application to an upcoming auction.

Disclaimer

This Auction Notice is based on the requirements set forth in the Climate Commitment Act (CCA), Chapter 70A.65 RCW, and the CCA Program Rule, Chapter 173-446 WAC (collectively referred to as CCA Requirements). If there is any apparent conflict between this document and the CCA Requirements, the CCA Requirements shall control.

**The bidding window is scheduled to be open from 10:00 a.m. to 1:00 p.m. If there is a delayed start or an interruption in service during the first hour of the bidding window, Ecology will not extend the bidding window, it will still close at 1:00 p.m. If internal or external factors require an earlier closure of the bidding window, Ecology will reschedule the auction to a later date, in accordance with Chapter 173-446-310 WAC. If a substantial interruption of service occurs after the first hour of the scheduled bidding window, Ecology may choose to reschedule the auction to a later date, consistent with Chapter 173-446-310 WAC. In either case, all account representatives will be promptly notified by email of any changes or circumstances that cause a deviation from the dates and times described in this notice.

Procedures for Conducting the Auction

This auction will be conducted through the electronic, internet-based Auction Platform that bidders use to submit bids in a single-round, sealed-bid auction format.

Each participating entity must submit an auction application in CITSS. Financial Services Delivery Instructions will be available from CITSS, and all final bid guarantees must be received by the Financial Services Administrator no later than the date and time listed in the auction schedule (above). A single bid guarantee must cover bids for current vintage allowances as well as bids for future vintage allowances, when applicable. Ecology will approve or reject applications to participate in an auction at least two (2) business days before the scheduled auction date.

Procedures for conducting the auction are described in [Chapter 173-446 WAC](#), Sections 300-390, and in the *Detailed Auction Requirements* and *Auction Examples* documents.

Auction Participant Training Materials

The above-referenced auction participant resources are available on the Washington Climate Commitment Act [Auctions Training and Resources webpage](#), including the Auction Participant Training presentation for Washington entities. This presentation includes information on regulatory requirements for auction eligibility, the auction application process in CITSS, bid guarantee submission, bid submission, settlement price determination, and financial settlement processes for auctions.

Training materials and resources are also available from the Auction Platform (wci-auction.org), along with Frequently Asked Questions (FAQ) and the Auction Participant Training presentation.
