

Safer Products for Washington

Consumer products should be safer for people and the environment. Our Safer Products for Washington program works to make that a reality.

ecology.wa.gov/spwa

We identify harmful chemicals, pinpoint products that contain them, look for safer alternatives, and ultimately adopt regulations that reduce toxic exposures.

Contact us at SaferProductsWA@ecy.wa.gov.

To request an ADA accommodation or a translation, email hwtrpubs@ecy.wa.gov, call (360) 407-6700, or dial 711 for relay services. Visit ecology.wa.gov/ADA for more information.
